Golf January Report

GOLF – January, 2026

Highlights:

- 2026 started out with some amazing golf weather, the Golf Course was unusually busy and then boom, 9 inches of snow and we are closed for 10 days. Not great for our Revenue, but we still managed to have a successful month
- We didn't host any events outside of our Weekly Seniors and Lady's Day. We gave our members the month to take advantage of the Golf Course.
- As you can see, we did almost 1,300 rounds and over a 1,000 of those rounds used Golf Carts. We welcomed or renewed 69 members in January, pretty great way to start the year.
- High School Golf is here and Spring River seems to be the course most of the teams like to take advantage of. We are proud to provide the best practice facility in town.

Specific & Routine Maintenance:

- Cut cups 3 times a week.
- Moved tee markers as needed.
- Dumped trash as needed.
- Mowed greens this week
- Finished seeding and covering bare areas on the greens.

Graphic Design-

Created an estimated **48 graphics**. In January, we focused on promoting the new flights to DEN from ROW, assisting with our own billboards, graphics and media to push the new service with United Airlines. We also have focused on creating street banners for the America 250 Roswell, and began creating items for the Council Connection, a new quarterly series where councilors and other city officials may speak to the community on different topics throughout the year. We also have created and executed a few items for the Goddard Centennial Celebration (Sat. March 14) and began the design work for the Roswell Air Center's restaurant: Top Flight Tavern, including the drafting of a full menu.

Besides the making of graphics, we also promoted City of Roswell's Job Fair on social media, and the Fire Department's Tryouts Hiring Event. Other promotions include Recreation's Father Daughter Dance and our Winter/Spring Seasonal Guide.

ACTIVITIES & HIGHLIGHTS

CURRENT STATUS & CONSERVATION

The Museum is currently closed due to the October 2024 flood with collection recovery and rebuilding estimated at 5 years. Recovery efforts and staff are currently centralized at a temporary location.

- Conservation proposals from Midwest Art Conservation Center and Pacific Coast Conservation are under review for conservation of items that remained in Roswell.
- Examinations are currently being conducted for paintings and works on paper by The Conservation Center for items in Chicago. Batches of treatment reports are expected over the next 6-8 months.
- Appraisals continue through Freeman Appraisals to determine individual fair market values for approximately 1900 items from the fine art collection with 700 items already provided. Staff are scheduling Freeman and Art of the Estate for additional appraisals.
- Revive Art Restoration in Santa Fe completed cleaning of 5 artworks that were on loan at the time of the flood. The works were picked up and returned to the lenders in early February.

GODDARD CENTENNIAL CELEBRATION

The Goddard Centennial Celebration will take place on Saturday, March 14 from 10 am to 3 pm at Goddard High School (701 E. Country Club Rd.). The all-ages event will include Goddard-themed displays, family-friendly activities, and rocket launches presented by the Roswell Museum and organizations, museums, and educational partners from around the region. The event is supported by Xcel Energy, Leprino, Pioneer Bank and the RMAC Foundation with in-kind support by Civil Air Patrol, Roswell Independent School District, Dion's, HTeaO, Dunkin Donuts, Albertson's Market, and Starbucks.

Participating groups include Civil Air Patrol, Explora, New Mexico Space History Museum, Xcel Energy, the Miniatures and Curious Collections Museum, Walker Aviation Museum, Historical Society for Southwest New Mexico, ENMU-Roswell STEM, National Championship Air Races

Finance Committee

STEM Discovery Zone, ENMU-Roswell Aviation Maintenance Technology, Roswell Astronomy Club, Wings for Life, Roswell Galacticon, and Roswell 250, among others.

COMMEMORATIVE LAUNCH

On Monday, March 16, a commemorative model rocket launch and mayoral proclamation will take place at Goddard's original launch site and broadcast on Facebook Live. The launch will take place 100 years following Robert Goddard's historic first-successful liquid propellant rocket launch on March 16, 1926 in Auburn, Massachusetts. His success led to funding by the Guggenheim Foundation, and the opportunity to devote his full attention to rocket development in Roswell, New Mexico. The launch time and further details will be announced the week prior to the launch.

RAIR OPENING

An exhibition by artist-in-residence Ash Eliza Williams will open Friday, March 6 at the Anderson Museum with an artist talk at 5:30 pm followed by a reception. Williams grew up in the Blue Ridge Mountains in Southwest Virginia and makes work about interspecies communication. Williams has exhibited widely, including at the Museum of Contemporary Art Denver, the National Center for Atmospheric Research, Chautauqua Institute, Kunstmuseum Hersbrück, and The New York Hall of Science. Williams often works with scientists, including collaborations and research projects at Shoals Marine Laboratory, The Museum of Comparative Zoology, and McDonald Observatory. The exhibition will continue through April 19, 2026.

The Roswell Museum partners with the RAIR Foundation in the presentation of the exhibitions, which are held at the Anderson Museum during the Roswell Museum's recovery.

STRATEGIC PLANNING WORKSHOP

The Strategic Plan Working Group, made up of staff and board members, continue plans for an interim strategic plan and workshop to replace the 2023-2028 plan due to the flood. The workshop is being planned for April 18 and will be

facilitated by Santa Fe-based consultant Sabrina Pratt. The plan will focus on goals and objectives during the closure while working toward a rebuild. The workshop will be open to the public. This project is supported by the RMAC Foundation.

SECOND SATURDAYS

On February 14, the Museum joined the Miniatures and Curious Collections Museum and Bone Springs Art Space for the third annual "Triple the Love" event with the theme of "Love You to the Moon and Back" with Valentine's Day card making and crafts. The March 14 Second Saturday will be combined with the Goddard Centennial Celebration at Goddard High School and will not be taking place at the Library that month.

STAFFING REDUCTION

The museum underwent a Reduction in Force (RIF) in mid-February with the departure of 2 part-time and 4 full-time staff, leaving 4 full-time positions in place. The reduction stemmed from the October 2024 flood and subsequent temporary closure of the museum. The City will re-evaluate staffing levels once a reopening timeline is known. We deeply thank the staff members for their years of service and extend best wishes in their next endeavors.

FOUNDATION COMMITTEE

A committee with the RMAC Foundation has formed to support a capital campaign and the museum rebuild in partnership with the City.

Library Report 2-2026

Roswell Public Library

January 18, 2026 – February 18, 2026

Accomplishments

Building Improvements Plans

Children's Garden: We will be presenting at the Finance Committee on March 5, 2026 to award the bid and approve expenditures for the construction of the Children's Garden/Jarin de Niños. We will also present at the Infrastructure Committee meeting in March. The final approval to award the bid will be done by the Roswell City Council

Sprinkler System Repairs and Inspection: While determining where a water leak came from the City of Roswell Facilities staff noticed two corroded pipes in the northeast corner of the main collection. We contacted, Allegiant Fire, the vendor who worked on our sprinkler system last year. They provided a quote and within two weeks and the repairs and the sprinkler system inspection has been completed for the year.

Skylights: With the assistance of the Finance Department, we pulled funds from several accounts in order to create a purchase order for repairs to 6 cracked skylights.

Roof Leaks: After the January snowstorm a patron alerted us of a leak in the Spanish Collection on the stone area. City of Roswell Facilities staff took pictures and broke up ice on the roof that helped the water drain off the roof. Then RoofCare worked on the roof after the ice melted.

Tables: We purchase and put together 14 tables for the Young Adult area and the Spanish Collection area. The tables are designed to flip up and are on wheels. This will allow the public to move them if they want a group meeting and it will allow library staff to rearrange them for large event programs. 2022 General Obligation Funds were used for this project.

Service Improvements

Computers: IT Staff exceeded expectations and moved staff computers onto a new server configuration in just 8 days, rather than the expected two weeks. IT staff, replaced the public computers and moved them off of the Wi-Fi onto a separate server to increase the computer security for the City of Roswell. In doing so they moved our printing service to a cloud-based service and configured the printing so we may again offer both black and white and color printing to the public. We reduced the number of computers available for the public, but we now have one computer per table, which the public likes, and they are all facing the reference desk so we may more easily monitor usage. The Library remained open while work was done on the computers. We only had to check out books on the offline mode when the internet was down citywide.

City Directories: Advantage Archive has completed the scanning, indexing and place on a third-party website the Roswell City Directories for 1947, and 1971-1996. We plan to complete the scanning of the Polk Directories in the fiscal year 2027.

Yearbooks: Advantage Archive has completed the scanning of the Roswell High School Yearbooks through 2000. We should complete the scanning of the Roswell High School next fiscal year and begin working on Goddard High School yearbooks.

Map Case and Archival Materials: We are expecting a map case to be delivered before the end of the month. The case will be used to hold the posters for the National Championship Air Races, Print Newspapers relating to Roswell History, and other items. The map case was purchased with 2022 General Obligation Funds along with mylar sleeves and acid free folder to follow best practice for preservation of print materials.

Boardbook Book Bin: Board books are books for babies with study pages and designed to fit into small hands. The books are shelved with covers facing shelves. We now have 4 boardbook book bins in the children's area. Each paid with grant funds.

End of Row Book Display Shelves: We purchased additional display shelves that are placed at the end of the rows. Staff have created a movie display, valentine's display, black history display, children's series book display, new juvenile fiction display and we are working on a staff pick display.

Programs

Hello Kitty Tea Party: We set a new record for people (441) attending our tea party and Saturday events. Nikki Ruiz coordinated this event with the help of Christi, Christopher, Diana, Jessica, Megan, Priscila, Priscilla, Quiannalei, Rebecca, Samantha, and three volunteers. Anna, Jane, and Lacey working behind the scenes. The Friends of the Library sponsored the event. The event included treats and ice tea, finger nail painting, face painting and temporary tattoos, book giveaway, Hello Kitty and Friends headbands, photo shoot area, scavenger hunt and Hello Kitty Bingo.

Spice Club: The spice of the month for February – poppy seeds.

Grants and Donations

State Grants in Aid: The Roswell Public Library has received \$10,000 in New Mexico Grant in Aid to Public Libraries. Funds must be spent by June 1, 2026. We received a quote for 7 iPads with cases and screen protectors, one keyboard and apple pencil and two Apple TV. The Apple TV will allow us to project the iPad images on a big screen TV. The cost for these items is \$9,979.00. The iPads will allow staff to share apps in programs as well as show the public how to access several of our databases including Tumblebooks, Comic's Plus, Libby and Zoobean.

STEM Innovation Network: The STEM Innovation Network has purchased \$17,093.68 worth of consumable materials and items for the Makerspace to improve access to out-of-school time STEM enrichment. We are using a majority of the funds to create STEM items that may be loaned by other organizations to present STEM activities.

Carnegie Corporation of New York: We received a \$10,000 check from the Carnegie Corporation of New York with the following letter.

Dear Roswell Public Library,

It gives me great pleasure to enclose this check from Carnegie Corporation of New York in celebration of the 250 anniversary of the Declaration of Independence. Andrew Carnegie wrote that libraries are “cradles of democracy” and it has been truly inspiring to hear accounts from across America of how the 1350-plus surviving Carnegie Libraries are serving their communities today.

This gift is freely given without conditions or expectations, you can spend it however you choose for the benefit of your library and community in commemoration of the 250 anniversary.

The response we have had to our renewed focus on libraries has been overwhelming and overwhelmingly positive. At a time of unprecedented strain to our social cohesion, libraries are among the few public institutions which play a genuinely unifying role.

Thank you for all the good work you are doing

With best regards
Dame Louis Richardson
President, Carnegie Corporation of New York

Re: Recommendation of Award
Project Development Services – Roswell Waste Water Treatment Plant Gate Valve
Replacements Design
RFP-25-002 – Engineering Architectural Services

The City of Roswell is seeking professional design support services for design services related to replacement of gate valves at the Waste Water Treatment Plant. Per RFP-25-002 quotes were requested to perform engineering and design services from vendors qualified per RFP-25-002. Quotes shown include GRT.

1. Freese & Nichols, Inc.	\$481,821.30
2. HDR Engineering	\$193,837.21
3. WTC	\$433,083.20
4. Molzen Corbin	\$396,357.74

Upon review of submitted quote details I hereby recommend this work go to Molzen Corbin, Inc. in the amount of \$396,357.74 which includes GRT. Note that HDR Engineering pricing did not reflect the full scope of the RFQ. Engineering department proposes to issue a Notice of Award & Notice to Proceed to Molzen Corbin upon review by City Council.

If you have any questions please contact me.

Sincerely,

James MacCornack, P.E.

CHAIR: Kurt Gass

ACTION REQUESTED:

Consider recommending approval of a budget adjustment in the amount of \$14,122.00 to contract Tascosa for the procurement and installation of furniture for five offices associated with the relocation of PVRCC Emergency 911 Center (Herring)

BACKGROUND:

Initiated by: Alison Herring

PVRCC is relocating to a new facility. With the leadership transition to the new director, prior financial planning did not include furnishings for the new space. The relocation will result in five offices requiring furniture: three individual offices and two shared offices. Two quotes were solicited. The quotes received were \$87,569.08 and \$14,122.00.

Staff solicited two quotes for furnishing the space. The quote from Xybix Systems Inc. in the amount of \$87,569.08 reflects dispatch-center-grade furniture designed for 24/7 operations, specialized equipment integration, and enhanced durability.

The second quote of \$14,122.00 was submitted by a local vendor familiar with the operational needs of public safety environments. This proposal reflects standard administrative-grade furnishings appropriate for the intended space. The vendor applied a first responder discount to the quoted amount, and the final price includes shipping and installation. The significant cost difference is attributable to the specialized construction and operational requirements of dispatch consoles compared to traditional office workstations.

FINANCIAL CONSIDERATION

Finance Impact (Revenue & Expense): Budget Adjustment Needed

Revenue: n/a

Expense: 11014656-642903 (Non-Capital Furniture/Fixtures) - \$14,122.00

Approval of this request will result in a one-time budget adjustment of \$14,122.00 from the general fund to procure furniture necessary for the five administrative and supervisory offices associated with the relocated facility. This expenditure was not included in the adopted FY budget due to prior planning oversights. No ongoing fiscal impact is anticipated.

LEGAL REVIEW:

No legal review is required at this time.

BOARD AND COMMITTEE ACTION:

This is the first committee to review this request. Approval is requested to present to the Public Safety Committee at their meeting on March 17th, 2026.

STAFF RECOMMENDATION:

Consider recommending approval of a budget adjustment in the amount of \$14,122.00 to procure furniture necessary for the relocation of PVRCC, the emergency 911 center.

Meeting Date: 03/05/2026

COMMITTEE: Finance

CONTACT: Tammi Smith

CHAIR: Kurt Gass

ACTION REQUESTED:

Consider approval of the allocation of \$150,000.00 from the Public Safety Tax Fund for architectural and engineering design services for the Fire Station #2 Remodel Project. (Chavez)

BACKGROUND:

Initiated by: Steve Chavez

The Roswell Fire Department has been granted \$1,500,000.00 for the remodel of Fire Station #2 to accommodate female personnel and modernize the facility to meet current operational standards. The project will address the need for gender-separated sleeping quarters, restroom and shower facilities, locker rooms, and associated support space necessary to provide equitable accommodations for all personnel.

In order to efficiently move forward once construction funding is fully released and available for expenditure, the department is requesting authorization to begin the architectural and engineering design phase in advance. Initiating the design process at this time will allow the City to develop construction-ready plans, refine cost estimates, identify potential structural or infrastructure challenges, and significantly reduce delays once the project proceeds to the construction phase.

Beginning engineering now ensures responsible project planning and positions the City to execute the full \$1.5 million remodel project without unnecessary postponement.

FINANCIAL CONSIDERATION

Financial Impact (Revenue & Expense): Budget Adjustment Needed

Revenue: n/a

Expense: 55004125-654801 Contract-Professional Services (Public Safety Tax Fund) -- \$150,000.00

Funds will be used for professional architectural services, engineering design, site evaluation, code compliance review, and preparation of construction-ready plans and specifications for the Station #2 remodel project.

This request is fully funded through the Public Safety Tax Fund. No General Fund dollars are requested.

LEGAL REVIEW:

Not required at this time.

BOARD AND COMMITTEE ACTION:

The Finance Committee will be the first consideration of this item.

STAFF RECOMMENDATION:

Meeting Date: 03/05/2026

COMMITTEE: Finance

CONTACT: Tammi Smith

CHAIR: Kurt Gass

ACTION REQUESTED:

Consider approval of the purchase of one (1) Kubota M6S-111SHDC2 4WD midsize utility tractor with cab and attachments, through the Sourcewell Cooperative Purchasing Contract No. 112624-KBA, in the total amount of \$88,220.99, for use in support of the Mobile ARFF Prop. (Chavez)

BACKGROUND:

Initiated by: Steve Chavez

The Roswell Fire Department is requesting approval to purchase a Kubota M6S-111SHDC2 4WD midsize utility tractor equipped with front loader, pallet forks, wheel weights, telematics modem, and related attachments to support operational logistics related to the Mobile Aircraft Rescue and Firefighting (ARFF) training prop.

The department utilizes jersey barriers and temporary fencing to establish safety perimeters, training zones, and operational boundaries during ARFF training evolutions. These barriers are critical in maintaining proper segregation between training operations and FAA Part 139 regulated areas of the airfield. Ensuring clear physical separation is essential for compliance, operational control, and overall airfield safety.

Currently, the movement and placement of jersey barriers requires coordination with outside resources, creating scheduling delays, operational dependency, and reduced efficiency during training setup and demobilization.

The acquisition of a dedicated tractor will allow personnel to safely and efficiently move jersey barriers and fencing for:

- Establishing and maintaining proper segregation from FAA Part 139 operational areas
- Setup and breakdown of safety perimeters for ARFF training exercises
- Deployment and demobilization of the Mobile ARFF training prop

With this equipment, reliance on external assistance for moving barriers will no longer be required, resulting in improved efficiency, enhanced operational control, reduced scheduling constraints, and increased personnel safety.

This purchase will be fully funded through Grant No. 22-G2774.

ACTION REQUESTED:

Consider approval to purchase replacement network infrastructure equipment from Ardham Technologies, Inc. in the total amount of \$196,844.03 through New Mexico Statewide Price Agreement Contract Number 60-00000-25-00021. (Bechtel)

BACKGROUND:

Initiated by: Jeff Bechtel

The equipment being requested will replace core network switches and wireless access points that were lost and damaged during the recent flood event. The flood resulted in the loss of critical network infrastructure located at the City's datacenter and various City facilities.

Replacement of this equipment is necessary to restore secure and reliable network connectivity, support daily City operations, and ensure continuity of essential services.

The purchase includes core switching equipment, wireless access points, associated hardware components, and three-year networking platform licensing and support.

The cost of the equipment will be covered with funds currently available in the FY26 budget.

Purchase Core switches for datacenter -- \$108,359.00 (Quote #ESTQ-023345 v6)

Purchase wireless equipment for the entire city -- \$88,485.03 (Quote #ESTQ-023423 v6)

Electronic Record and Signature Disclosure		

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

A. ELECTRONIC RECORD AND SIGNATURE DISCLOSURE (ERSD)

From time to time, New Mexico General Services Department (GSD), on behalf of the State of New Mexico (SONM), may be required by law to provide you with certain written notices or disclosures. Stated below are the terms and conditions for GSD's providing you such notices and disclosures electronically through the DocuSign system. Please read this information carefully. If you are able to access this information electronically and agree to **this Electronic Record and Signature Disclosure (ERSD)**, please confirm your agreement by selecting the check-box next to "I agree to use electronic records and signatures" before clicking "CONTINUE" within the DocuSign system.

B. Obtaining paper copies

At any time up to twenty (20) calendar days following your use of DocuSign to electronically sign a document, you may request a paper copy of any record provided or made available electronically to you by GSD. You will have the ability to download and print documents SONM sends you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a twenty (20) calendar day period after such documents are first sent to you. Following the twenty (20) day period, if you want GSD to send you paper copies of any such documents from GSD's office, you will be charged a \$1.00 per-page fee plus postage. You may request delivery of such paper copies from GSD by following the procedure stated in Section H, below.

C. Withdrawing your consent

If you decide to receive notices and disclosures from GSD electronically, you may at any time change your mind and inform GSD you want to receive required notices and disclosures only in paper format. The procedure concerning how you may inform GSD of your decision to receive future notices and disclosures in paper format as well as withdraw your consent to receive notices and disclosures electronically is stated in Section D, immediately below.

D. Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed with which GSD will be able to complete certain steps in specific transactions and deliver paper copies to you. GSD will need: (1) to send the required notices or disclosures to you in paper format; and (2) wait until GSD receives your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from SONM or to electronically sign documents generated and sent to you from SONM.

E. All notices and disclosures will be sent to you electronically

Unless you inform GSD otherwise according to these procedures, GSD will electronically provide you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements and other documents that are required to be provided or made available to you during the course of your electronic signature relationship with SONM. To reduce the possibility of inadvertent non-receipt, GSD prefers to provide all required notices and disclosures by the same method and to the same email or physical address that you furnish to GSD. Thus, you may receive the disclosures and notices electronically or in paper form. If you do not agree with this procedure, please inform GSD according to the procedures stated in Section I, below. Please also refer to Section D, immediately above, which states the consequences resulting from your declination of electronic delivery of notices and disclosures.

F. How to contact GSD:

You may inform General Services Department (GSD) of any changes you select regarding State Purchasing Division's (SPD) electronic communications with you, to request paper copies of certain information from SPD, and to withdraw your prior consent to receive notices and disclosures electronically by emailing your request(s) to SPD at: GSD.SPDinfo@state.nm.us

G. To advise SPD of your new email address

To inform SPD of a change in the email address to which SPD sends you notices and disclosures electronically, you must send an email to SPD at GSD.SPDinfo@state.nm.us and in the body of such request you must include your previous and new email addresses.

H. To request paper copies from SPD

To request delivery of paper copies of electronic notices and disclosures that DocuSign and/or SPD have previously provided to you, you must send an email to SPD at GSD.SPDinfo@state.nm.us and in the body of your email request state your email address, full name, mailing address, and telephone number. SPD will charge you a \$1.00 per page copy fee plus postage.

I. To withdraw your consent with SPD

To inform SPD that you no longer wish to receive notices and disclosures in electronic format you may:

(1) Decline to sign a document from within a signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may:

(2) Send SPD an email to GSD.SPInfo@state.nm.us and in the body of your request state your email address, full name, mailing address, and telephone number.

J. Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current DocuSign system requirements may be found at:

<https://support.docusign.com/guides/signer-guide-signing-system-requirements>

K. Acknowledging your access and consent to receive and sign documents electronically

To confirm that you are able to electronically access the information contained in this Electronic Record and Signature Disclosure (ERSD), please confirm that you have: (1) read this ERSD, and either: (2) you are able to print on paper or electronically save this ERSD for your future reference and access; or (3) you are able to email this ERSD to an email address where you will be able to print this ERSD on paper and/or save this ERSD for your future reference and access. Further, if you consent to receiving notices and disclosures from DocuSign and/or SPD exclusively in electronic format, then select the check-box next to “I agree to use electronic records and signatures,” before you click “CONTINUE” within the DocuSign system.

By selecting the check-box next to “I agree to use electronic records and signatures,” you confirm that:

- You have read this Electronic Record and Signature Disclosure (ERSD); and
- You can print this ERSD on paper, or you can save and/ or send this ERSD to a location where you can print this ERSD, for your future reference and access; and
- Until or unless you notify SPD as stated in this ERSD, you consent to exclusively receive through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by SPD during the course of your electronic signature relationship with SPD.

Terms and Conditions

(Unless otherwise specified)

1. **General:** When the State Purchasing Agent or his/her designee issues a purchase document in response to the Vendor's bid, a binding contract is created.
2. **Variation in Quantity:** No variation in the quantity of any item called for by this order will be accepted unless such variation has been caused by conditions of loading, shipping, packing or allowances in manufacturing process and then only to the extent, if any, specified in this order.
3. **Assignment:**
 - a. Neither the order, nor any interest therein, nor any claim thereunder, shall be assigned or transferred by the Vendor, except as set forth in Subparagraph 3b or as expressly authorized in writing by the State Purchasing Agent or his/her designee. No such assignment or transfer shall relieve the Vendor from the obligations and liabilities under this order.
 - b. Vendor agrees that any and all claims for overcharge resulting from antitrust violations which are borne by the State as to goods, services, and materials purchased in connection with this bid are hereby assigned to the State.
4. **State Furnished Property:** State furnished property shall be returned to the State upon request in the same condition as received except for ordinary wear, tear and modifications ordered hereunder.
5. **Discounts:** Prompt payment discounts will not be considered in computing the low bid.
6. **Inspection:** Final inspection and acceptance will be made at the destination. Supplies rejected at the destination for nonconformance with specifications shall be removed at the Vendor's risk and expense, promptly after notice of rejection.
7. **Inspection of Plant:** The State Purchasing Agent or his/her designee may inspect, at any reasonable time, the part of the Contractor's, or any subcontractor's plant or place of business, which is related to the performance of this contract.
8. **Commercial Warranty:** The Vendor agrees that the supplies or services furnished under this order shall be covered by the most favorable commercial warranties the Vendor gives for such to any customer for such supplies or services. The rights and remedies provided herein shall extend to the State and are in addition to and do not limit any rights afforded to the State by any other clause of this order. **Vendor agrees not to disclaim warranties of fitness for a particular purpose of merchantability.**
9. **Taxes:** The unit price shall exclude all state taxes.
10. **Packing, Shipping and Invoicing:**
 - a. The State's purchasing document number and the Vendor's name, user's name and location shall be shown on each packing and delivery ticket, package, bill of lading and other correspondence in connection with the shipments. The user's count will be accepted by the Vendor as final and conclusive on all shipments not accompanied by a packing ticket.
 - b. The Vendor's invoice shall be submitted duly certified and shall contain the following information: order number, description of supplies or services, quantities, unit price and extended totals. Separate invoices shall be rendered for each and every complete shipment.
 - c. Invoices must be submitted to the using agency and NOT the State Purchasing Agent.
11. **Default:** The State reserves the right to cancel all or any part of this order without cost to the State, if the Vendor fails to meet the provisions of this order and, except as otherwise provided herein, to hold the Vendor liable for any excess cost occasioned by the State due to the Vendor's default. The Vendor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Vendor, such causes include but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the State shall determine that the supplies or services to be furnished by

the subcontractor were obtainable from other sources in sufficient time to permit the Vendor to meet the required delivery scheduled. The rights of the State provided in this paragraph shall not be exclusive and are in addition to any other rights now being provided by law or under this order.

12. **Non-Collusion:** In signing this bid the Vendor certifies he/she has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the State Purchasing Agent or his/her designee.

13. **Nondiscrimination:** Vendor doing business with the State of New Mexico must be in compliance with the Federal Civil Rights Act of 1964 and Title VII of the Act (Rev. 1979) and the Americans with Disabilities Act of 1990 (Public Law 101-336).

14. **The Procurement Code:** Sections 13-1-28 through 13-1-199 NMSA 1978, imposes civil and criminal penalties for its violation. In addition the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

15. **Items:** All bid items are to be NEW and of most current production, unless otherwise specified.

16. **Payment for Purchases:** Except as otherwise agreed to: late payment charges may be assessed against the user state agency in the amount and under the conditions set forth in Section 13-1-158 NMSA 1978.

17. **Workers' Compensation:** The Contractor agrees to comply with state laws and rules pertaining to Workers' Compensation benefits for its employees. If the Contractor fails to comply with Workers' Compensation Act and applicable rules when required to do so, this Agreement may be terminated by the contracting agency.

18. **Submission of Bid:** Bids must be submitted in a sealed envelope with the bid number and opening date clearly indicated on the bottom left hand side of the front of the envelope. Failure to label bid envelope will necessitate the premature opening of the bid in order to identify the bid number.

19. **Contractor Personnel:** Personnel proposed in the Contractor's written bid to the Procuring Agency are considered material to any work performed under this Price Agreement. Once a Purchase Order or contract has been executed, no changes of personnel will be made by the Contractor without prior written consent of the Procuring Agency. Replacement of any Contractor personnel, if approved, shall be with personnel of equal ability, experience, and qualifications. The Contractor will be responsible for any expenses incurred in familiarizing the replacement personnel to insure their being productive to the project immediately upon receiving assignments. Approval of replacement personnel shall not be unreasonably withheld. The Procuring Agency shall retain the right to request the removal of any of the Contractor's personnel at any time.

20. **Subcontracting:** The Contractor shall not subcontract any portion of the Price Agreement without the prior written approval of the Procuring Agency. No such subcontracting shall relieve the Contractor from its obligations and liabilities under this Price Agreement, nor shall any subcontracting obligate payment from the Agency.

21. **Records and Audit:** The Contractor shall maintain detailed time and expenditure records that indicate the date, time, nature, and cost of services rendered during this Price Agreement's term and effect, and retain them for a period of three (3) years from the date of final payment under this Price Agreement. The records shall be subject to inspection by the Agency, State Purchasing Division, Department of Finance and Administration, and for Information Technology contracts, State Chief Information Officer. The Agency shall have the right to audit billings, both before and after payment. Payment for services under this Price Agreement shall not foreclose the right of the Agency to recover excessive or illegal payments.

22. **Subcontracts:** The foregoing requirements for Contractor Personnel, Subcontracting, and Audit shall be inserted into all subcontracts from the prime contractor to the subcontractor.

New Mexico Employees Health Coverage

A. If Contractor has, or grows to, six (6) or more employees who work, or who are expected to work, an average of at least 20 hours per week over a six (6) month period during the term of the contract, Contractor certifies, by signing this agreement, to have in place, and agrees to maintain for the term of the contract, health insurance for its New Mexico Employees and offer that health insurance to its New Mexico Employees if the expected annual value in the aggregate of any and all contracts between Contractor and the State exceeds \$250,000 dollars.

B. Contractor agrees to maintain a record of the number of its New Mexico Employees who have (a) accepted health insurance; (b) declined health insurance due to other health insurance coverage already in place; or (c) declined health insurance for other reasons. These records are subject to review and audit by a representative of the state.

C. Contractor agrees to advise all of its New Mexico Employees of the availability of State publicly financed health care coverage programs by providing each of its New Mexico Employees with, as a minimum, the following web site link to additional information: <https://bewellnm.com>.

D. For purposes of this Paragraph, the following terms have the following meanings:

- (1) "New Mexico Employee" means any resident of the State of New Mexico employed by Contractor who performs the majority of the employee's work for Contractor within the State of New Mexico, regardless of the location of Contractor's office or offices; and
- (2) "offer" means to make available, without unreasonable restriction, enrollment in one or more health coverage plans and to actively seek and encourage participation in order to achieve the goals of Executive Order 2007-049. This could include State publicly financed public health coverage programs such as *Insure New Mexico!*

Statewide Price Agreement

Article I – Statement of Work

Under the terms and conditions of this Price Agreement all State of New Mexico agencies, commissions, institutions, political subdivisions and local public bodies allowed by law may issue orders for items and/or services described herein. The terms and conditions of this Price Agreement shall form a part of each order issued hereunder.

The items and/or services to be ordered shall be as listed under Article IX - Price Schedule. All orders issued hereunder will bear both an order number and this Price Agreement number. It is understood that no guarantee or warranty is made or implied by the New Mexico State Purchasing Agent, his/her designee or the user that any order for any definite quantity will be issued under this Price Agreement. The Contractor is required to accept the order and furnish the items and/or services in accordance with the articles contained hereunder for the quantity of each order.

Article II – Term

The term of this Price Agreement, for issuance of orders, shall be as indicated in the specifications.

Article III – Specifications

Items and/or services furnished hereunder shall conform to the requirements of specifications and/or drawings applicable to items listed under Article IX-Price Schedule. Orders issued against this schedule will show the applicable Price Agreement item(s), number(s), and price(s); however they may not describe the item(s) fully.

Article IV – Shipping and Billing Instructions

Contractor shall ship in accordance with the following instructions: Shipment shall be made only against specific orders which the user may place with the Contractor during the term; The Contractor shall enclose a packing list with each shipment listing the order number, price agreement number and the commercial parts number (if any) for each item; Delivery shall be made as indicated on page1. If vendor is unable to meet stated delivery the State Purchasing Agent or his/her designee must be notified.

Article V – Termination

The Agency may terminate this Agreement for convenience or cause. The Contractor may only terminate this Agreement based upon the Agency's uncured, material breach of this Agreement. Contractor shall give Agency written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the Agency's material breaches of this Agreement upon which the termination is based and (ii) state what the Agency must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the Agency does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the Agency does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach. Termination of this Contract, however, shall not affect any outstanding orders. This provision is not exclusive and shall not waive other rights and remedies afforded either party in the event of breach of contract or default. In such instances the contract may be cancelled effective immediately.

Article VI – Amendment

This Price Agreement may be amended by mutual agreement of the New Mexico State Purchasing Agent or his/her designee and the Contractor upon written notice by either party to the other. An amendment to this Price Agreement shall not affect any outstanding orders issued prior to the effective date of the amendment as mutually agreed upon, and as published by the New Mexico State Purchasing Agent or his/her designee. Amendments affecting price adjustments and/or the extension of a price agreement expiration date are not allowed unless specifically provided in the bid and price agreement specifications.

Article VII – Indemnity Clause

Contractor shall indemnify and hold harmless the State, its officers and employees, against liability, claims, damages, losses or expenses arising out of bodily injury to persons or damage to properties caused by, or resulting from Contractor's, and/or its employees, own negligent act or omission while Contractor, and/or its employees, perform or fails to perform its obligations and duties under the Terms and Conditions of this agreement. This save harmless and indemnification clause is subject to the immunities, provisions, and limitations of the Tort Claims Act (Section 41-4-1, et seq., N.M.S.A. 1978 comp. and Section 57-7-1 N.M.S.A. 1878 comp. and any amendments thereto.

It is specifically agreed between the parties executing this agreement that it is not intended by any of the provisions of any part of the agreement to create in the public or any member thereof a third party beneficiary or to authorize anyone not a party to the agreement to maintain a suit(s) for wrongful death(s), bodily and/ or personal injury(s) to person(s), damage(s) to property(ies) and/or any other claim(s) whatsoever pursuant to the provisions of this agreement.

Vendor shall provide all insurance necessary to employees on the work site, including but not limited to Worker's Compensation.

Article VIII – Issuance or Orders

Only written signed orders are valid under this Price Agreement.

Article IX – Packing (if applicable)

Packing shall be in conformance with standard commercial practices.

Article X – Price Schedule

Prices as listed in the price schedule hereto attached are firm.

Specifications:

The State of New Mexico Department of Information Technology (DoIT), in cooperation with the General Services Department/State Purchasing Division, ("SPD"), is seeking fully certified resellers or manufacturers that will provide Data Center, Wide Area Network (WAN) and/or Local Area Network (LAN) Equipment to include a **warranty, maintenance, and support** on equipment purchases and related services. The Related Services include Installation, Post Warranty Maintenance and Repair, Training, and Technical Support Services to maintain the State's current and future data center and network infrastructure when requested by the procuring entity. The equipment and related services proposed as part of this bid **must include at least one of the following manufacturers: Aruba, Cisco, Dell, HPE/Aruba, Juniper, Meraki, Palo Alto, Ruckus, or Xtreme.** Other equipment manufacturers for Data Center, WAN/LAN and related services may be submitted and may be awarded only if the information requested is provided, not to exceed 20 other manufacturers.

The following equipment and services shall be ***EXCLUDED*** from this bid and the awarded agreement:

1. Microwave Equipment and Related Service Support
2. Wavelength Division Multiplexers (WDM) Equipment and Related Service Support
3. Long Term Evolution (LTE) Equipment and Related Service Support
4. 2-way Radio Communications Equipment and Related Service Support
5. Desktop Telephony Equipment and Related Service Support
6. Professional services as defined in this ITB

Term:

The term of this Price Agreement shall be for four (4) years from date of award with no option for extensions. This Price Agreement shall not exceed four (4) years.

Method of Award:

DoIT reserves the right to obtain prices from any and all successful bidders for Data Center, Wide Area Network (WAN) and/or Local Area Network (LAN) equipment, and related services and award the job to a contractor based on price, schedule, ability to perform satisfactorily and as indicated in the Scope of Work below. Awards will be made to meet the best interests of the State of New Mexico.

Multiple Awards:

Pursuant to the Procurement Code, Sections 13-1-153 and 13-1-154, the State reserves the right to issue multiple awards to obtain the items listed. Multiple awards are recommended to ensure availability and timely delivery.

The results of this ITB will establish a multiple award price agreement, within each listed manufacturer name on a competitive basis with fully certified resellers or manufacturers that will supply a broad range of Data Center, Wide Area Network (WAN) and/or Local Area Network (LAN) equipment and related services by manufacturer to support the existing network infrastructure used by State and Authorized Entities throughout the State of New Mexico. Bids will be evaluated and awarded by manufacturer name.

The minimum percentage (%) discount off MSRP and maximum catalog pricing awarded as a result of this Agreement will remain fixed for the first-year term of the awarded Agreement. Although, the procuring entities are encouraged to use the request for quote that may result in percentage discounts that exceed the minimum awarded discounts and lower pricing not to exceed the maximum price for products awarded in the manufacturer's catalog to include any Contractor promotions resulting price reductions. Request for quote may be with any one of the awarded Contractors after the award and during the term of the Agreement.

Escalation clause:

In the event of a decrease in discount, a request will be reviewed by the State Purchasing Division (SPD) no more than once during any Contract Year, with the Contract Year defined as the twelve (12) month period beginning on the anniversary of the Agreement's effective date. This measure is not intended to allow any increase in profit margin, only to compensate for an actual cost increase.

State of New Mexico
General Services Department
Purchasing Division
Statewide Price Agreement #: 60-00000-25-00021

Page-11

The State Purchasing Division will not accept, or agree, to any decrease request in percentage discount, greater than five percent (5%) per year. If a requested decrease of the percentage discount is greater than the maximum allowed by the Agency, as stated previously, the Agency will consider that the amount of escalation is 0%.

Effective Dates for the decrease in discount will not be any sooner than fifteen (15) days from the date the written request is received and approved by SPD. Awarded Vendor may be required to provide the following information:

1. Contract Item Number
2. Current Item Price
3. Proposed New Price
4. Percentage of Increase
5. Mill/Supplier Notification of price increase indicating percentage of increase including reason for increase.

Vendor must also supply a Letter from Manufacturer addressed to the vendor. The letter must state that they are increasing the price from the factory to the vendor, as well as reason for increase. Requests for increase due to labor do not apply and will not be approved.

Price and Tax Note:

The pricing for all Data Center, Wide Area Network (WAN) and/or Local Area Network (LAN) equipment and related services must not include New Mexico Gross Receipts Tax (NMGR). However, the services are subject to the NMGR and are applicable to the current rate for the period of equipment and/or services are purchased with written acceptance by the procuring entity. The proposed catalog price shall not include State Gross Receipts or Local Option Tax. Taxes shall be added to the purchase order and invoice at current rates as a separate item to be paid by the procuring entity.

The GRT on the equipment proposed for this ITB are deductible to the awarded Contractor if the awarded Contractor retains a Type 9 nontaxable transaction certificate (NTTC). The NTTC will be issued by procuring agency upon request by the awarded Contractor and upon a valid CRS number that is issued by the New Mexico Department of Taxation and Revenue. Reference the link for additional information regarding NTTC, see link <http://www.tax.newmexico.gov/Businesses/non-taxable-transaction-certificates.aspx>

Payment Provisions:

Within fifteen (15) days after the date the procuring agency receives written notice from the Contractor that payment is requested for services, construction or items of tangible personal property delivered on site and received, the Agency shall issue a written certification of complete or partial acceptance or rejection of the services, construction, or items of tangible personal property. If the Agency finds that the services, or items of tangible personal property are not acceptable, it shall, within thirty (30) days after the date of receipt of written notice from the Contractor that payment is requested, provide to the Contractor, a letter of exception explaining the defect or objection to the services, or delivered tangible personal property along with the details of how the Contractor may proceed to provide remedial action.

Upon certification by the DoIT that the services or delivered tangible personal property have been received and accepted, payment shall be tendered to the Contractor within thirty (30) days after the date of certification. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. After the thirtieth (30th) day from the date that written certification of acceptance is issued, late payment charges shall be paid on the unpaid balance due on the contract to the Contractor at the rate of one and one half percent (1-1/2%) per month. For purchases funded by state or federal grants to local public bodies, if the local public body has not received the funds from the federal or state funding agency, but has already certified that the services or items of tangible personal property have been received and accepted, payments shall be tendered to the Contractor within five (5) working days of receipt of funds from that funding agency.

Final payment shall be made within thirty (30) days after the work has been approved and accepted by the procuring agencies Secretary or his duly authorized representative.

Invoices are to be submitted to the using procuring entity detailing items ordered, shipped, and buyers name if applicable. Shipping cost and Local or State gross receipt tax shall be quoted and billed as a separate item on quotes and invoices at the time of ordering/price quoting.

Payment or Acceptance Not Conclusive:

No payment made under this agreement shall be conclusive evidence of the performance of the contract, either wholly or in part, and that no payment made for the delivery of the items in whole or in part shall be construed as an acceptance of defective work or improper materials, nor relieve the Contractor from corrections of the defects. The final acceptance shall not be binding upon the procuring entity or the State, nor conclusive, should it subsequently develop the Contractor had furnished inferior items or had departed from the specifications and/or the terms of the agreement. Should such conditions become evident, the procuring entity shall have the right, notwithstanding final acceptance and payment, to cause the item(s) to be properly furnished in accordance with the specifications (and drawings, if any) at the cost and expense of the vendor.

Delivery:

Delivery shall be F.O.B. destination as specified at the time of order. Vendor is to ship only completed orders; partial shipments will not be accepted. Prior to shipping, awarded vendor must call 24 hours in advance to receive delivery instructions and to ensure warehouse gates are open, if applicable.

After award, the awarded Contractor must provide copies of the approved purchase orders upon request by DoIT that clearly identifies the name of the equipment, hardware components, and related services purchased and the name of the procuring entity. The procuring entity shall retain ownership of all equipment to include work products purchased pursuant to this Agreement unless otherwise agreed to by the procuring entity in writing.

The awarded Contractor must maintain or guarantee accessibility to the URL or direct link for the duration of the awarded Agreement. The ability to add new Data Center, (WAN) and/or (LAN) equipment to the awarded Contractor's URL or direct link is to the benefit of the DoIT and the Authorized Entities. The purpose is for the State to continue to keep up with changing technology. During the term of the Agreement the Contractor's may submit a request no more than once during any Contract Year, with the Contract Year defined as the twelve (12) month period beginning on the anniversary of the Agreement's effective date to update the awarded equipment catalog schedule as new technology is introduced or discontinued from the market, by adding or removing discontinued equipment from the awarded Price Agreement. State Purchasing Division (SPD) will evaluate requests, coordinate with the DoIT if needed, to update the equipment schedule awarded in the Agreement through a written amendment. The Contractor shall update any dedicated equipment URL/links to reflect the agreed upon changes by SPD and the Contractor. All Data Center, (WAN) and/or Local Area Network (LAN) equipment must be commercially available at the time the awards are made and when additional type Data Center, (WAN) and/or (LAN) equipment is added to the URL or direct link. Any additions to the Contractor's catalog links must fall within the original scope and intent of this bid. If the Contractor does not adhere to all terms and conditions of the original awarded agreement, awarded DoIT Price Agreement may be terminated.

DEFINITION OF TERMINOLOGY

This section contains definitions that are used throughout this procurement document, including appropriate abbreviations.

1. **"Authorized Entities"** means all State of New Mexico agencies, commissions, institutions, political subdivisions and local public bodies allowed by law.
2. **"Complete Working Order"** means the uninterrupted, defect-free operation of the Data Center, Wide Area Network (WAN) and/or Local Area Network (LAN) Equipment, to include any failures and related labor services that meets all applicable specifications.
3. **"Data Center"** means the brand or generic data center equipment and associated services that supports servers for processing and hosting; storage systems such as storage area network, network attached storage and backup appliances; and network hardware including switches, routers, firewalls and load balancers.
4. **"Desktop Telephony"** means the brand or generic equipment and associated services that support transmitting voice, data, video or image signals over a distance greater than what you can transmit by shouting.

Page-13

5. **“Fully Certified Reseller”** means an entity known as a reseller that is certified and authorized by the manufacturer to sell the Data Center, WAN and/or LAN equipment and Related Services for only the manufacturer types the Bidder has submitted a % discount for.
6. **“LAN Network”** means the brand or generic network equipment and associated services that supports a geographically limited communication network that connects users within a building or small group of buildings that is managed by a single enterprise. This includes wireless equipment and related services, however, excludes the equipment and related services listed in the scope of work of this bid.
7. **“(LTE)” “Long Term Evolution”** means the brand or generic equipment and associated services that support 4G wireless broadband technology which supports mixed data, voice, video and messaging traffic. This may include any user equipment devices, devices used by an end-user to communicate such as a hand-held telephone, a laptop computer equipped with a mobile broadband adapter, or any other device in support of LTE.
8. **“Manufacturer”** means a producer of branded or unbranded finished products.
9. **“Manufacturer’s Suggested Retail Price (MSRP)” or “Resellers Suggested Selling Price (RSSP)”** means the list price the product’s manufacturer recommends it be sold for by the manufacturer or by the reseller. The proposed MSRP/RSSP catalog price listing does NOT include discounts awarded.
10. **“Maximum Hourly Rate” or “Hourly Rate”** means the proposed maximum hourly rates must include travel, per diem, fringe benefits and any overhead costs for contractor personnel, as well as subcontractor personnel if appropriate.
11. **“Microwave Communications”** means the brand or generic equipment and associated services to transmitting telephone, facsimile, video and data conversations by common carriers, private networks, or any communication to and from satellites. The type of equipment may include but not limited towers, antennas, satellites or satellite communication in support of microwave communications.
12. **“Post Warranty Maintenance and Repair Services” or “Maintenance and Repair”** means an hourly rate or packaged service that the Contractor guarantees the purchased Data Center, Wide Area Network (WAN) and/or Local Area Network (LAN) Equipment to include labor and any installation services shall be in Complete Working Order, as defined above, during the post warranty maintenance and repair period and after the Warranty Period as defined. The procuring agency has the option to contract for this service. **Any travel and per diem must be incorporated into the fully executed contract for the maintenance and repair services at no additional cost.** Any freight and shipping costs during maintenance and support period shall be paid by the Contractor, not the procuring entity. At a minimum, any proposed maintenance and support services must include the items listed below. Any waivers to this service must be agreed to and approved in writing by the procuring entity contracting for services after the agreements are awarded.
 - a. **Technical Assistance Support.** Provides procuring entity technical customer support to troubleshoot, diagnose, and resolve problems, answer any operational related questions 24x7 by 356 days to include holidays and weekends.
 - b. **Call-back.** For any issue reported, an acknowledgement of the service request/issue reported is required by calling the procuring entity back within 30 minutes of receipt.
 - c. **4-Hour Response Time.** For a major issue (system is unusable, to be determined by the procuring entity), the Contractor must have a technician onsite within 4 hours of receipt of the issue reported.
 - d. **Covers all equipment and hardware components and any software support.**
 - i. If any Data Center, Wide Area Network (WAN) and/or Local Area Network (LAN) Equipment and/or hardware components need to be replaced, the Contractor must replace the equipment and/or hardware component at no additional cost to the Extended Post Maintenance and Support Service plan contracted for by the procuring entity. The Contractor is responsible for removing any equipment that is replaced.
 - ii. Software Subscription Support: The Contractor must perform software patches, software upgrades, and firmware updates.
 - e. **Annual System Performance Checkup.** Perform maintenance test check on the Data Center, Wide Area Network (WAN) and/or Local Area Network (LAN) Equipment, hardware components, and related software and provide test results as a softcopy to the procuring agency. The system components to test must follow the manufacturers’ requirements for preventative maintenance and the extended service plan.

21. **“Warranty” or “One Year Warranty”** means the Contractor guarantees the Data Center, Wide Area Network (WAN) and/or Local Area Network (LAN) Equipment and labor services to include installation shall be in Complete Working Order for a minimum of 1 year or 12 months starting from the date of final acceptance by the procuring entity (Warranty Period). The Contractor shall repair all failures during the Warranty Period at no added cost to the equipment purchased price. Any freight and shipping costs during the warranty coverage shall be paid by the Contractor, not the procuring entity.
22. **“Wavelength Division Multiplexer (WDM)”** means a technology that joins multiple optical signals with different wavelengths onto a common strand of fiber to transmit data through equipment, hardware components, any related software, and related services.

Scope of Work

1. The Contractor shall be solely responsible for the completion of a customer approved and accepted project to include but not limited to services awarded and requested by the procuring entity such as installation, warranty, post warranty maintenance support and repair services.
2. The Contractor shall provide only new factory parts for any equipment, parts, and accessories sold or used for repair; no other substitutes will be accepted. Refurbished parts will be allowed only upon a written statement from the manufacturer stating the new parts are no longer available and the refurbished parts have been tested. Any waiver from this requirement shall be approved in writing by the procuring entity.
3. The Contractor shall supply all materials, labor and/or services to complete a customer approved project.
4. The Contractor shall complete all contracted services for work and/or maintenance and repairs in compliance with the manufacture’s specifications.
5. The Contractor shall provide a Warranty coverage on the purchase of Data Center, WAN/LAN equipment, hardware components, and any software subscription services as defined in the “Definition of Terminology” above.
6. The Contractors must be a fully certified reseller or manufacturer for the Data Center, Wide Area Network (WAN) and/or Local Area Network (LAN) Equipment and Related Services to submit a response to this bid.
7. The Contractors must propose a separate single minimum discount percentage (%) off its MSRP/RSSP Data Center, Wide Area Network (WAN) and/or Local Area Network (LAN) Equipment to include a Warranty Period of One (1) year, as defined above, at no added cost to the purchase of the equipment for any or all the manufacturers listed by submitting Item (001) provided below. A zero (0) or a blank discount is a valid discount only with a related vendor link with product pricing or catalog price listing.
8. If a Bidder does not have a vendor link to their proposed products at the time of submitting a response to this bid, the Contractors should provide its proposed Data Center, Wide Area Network (WAN) and/or Local Area Network (LAN) Equipment MSRP/RSSP Catalog Price Listing for any or all the Manufacturer Types. ***It is the responsibility of the Bidder to upload their proposed catalog pricing listing as an envelope in eProNM.*** At a minimum, the proposed catalog price listing *should* contain the following items:
 - a. Manufacturer type
 - b. Product number
 - c. Product description: some identifier as equipment or a service
 - d. MSRP/RSSP (\$) without the discount
9. The Contractor must maintain or guarantee their Data Center, WAN/LAN equipment catalog price listing duration of the awarded agreements. All Data Center, WAN/LAN type equipment must be commercially available at the time the awards and during the term of the agreement.
10. After award and only upon request by Department of Information Technology, the awarded Bidder must provide copies of the approved purchase orders that clearly identifies the name of the equipment purchased and the name of the purchasing entity.

Manufacturer List – No Line Card with MSRP

NUTANIX

There is no single, public Nutanix line card with list prices, as they vary depending on the specific hardware model, configuration, and licensing level. Nutanix products are sold through various partners, and prices for a particular server, such as the NX-3155-G9, can be found through them. Licensing is often sold separately or bundled with hardware and software packages, with options including pay-as-you-go models for some services.

Factors that influence Nutanix pricing:

Hardware: The specific server model, processors, memory, and storage included in the configuration are major factors in pricing.

Software licensing: Different licensing tiers (e.g., Starter, Pro, Ultimate) offer various features and come with different price points.

Support and services: The cost of support and any additional services can be included in the overall price.

Partner and purchase channel: Pricing can differ between resellers and cloud providers.

PURE STORAGE

Pure Storage does not publish a public line card price list, as costs vary significantly based on the specific product, capacity, and configuration. However, examples of estimated pricing include the FlashArray X10 starting around \$40,000, the FlashArray //C20 in the \$25,000 to \$50,000 range, and the FlashBlade//E starting at under \$0.20/GB for large capacities. Actual costs depend on factors like ongoing service, data reduction rates, and any negotiated discounts.

Product examples and estimated pricing.

- FlashArray //C20: Priced in the entry-level market, often between \$25,000 and \$50,000.
- FlashArray X10: An entry-level model that starts at approximately \$40,000 for around 10–12 terabytes of capacity.
- FlashArray X20: A higher-end model with a starting price of around \$90,000 and up to 314 terabytes of capacity.
- FlashBlade//E: Priced competitively with HDDs at under \$0.20/GB for large capacities (starting at 4PB) and includes three years of service.

Manufacturer List – No Line Card with MSRP

Factors affecting the final price

- **Capacity:** Higher capacity systems will have a higher total cost, although the cost per gigabyte may decrease.
- **Configuration:** The specific hardware components and software features included will impact the final price.
- **Data reduction:** Performance and efficiency are affected by data reduction capabilities, which are factored into pricing.
- **Service and support:** Ongoing maintenance and service agreements are a significant part of the total cost.
- **Discounts:** Public sector or large enterprise customers may have access to special pricing through Procurement Contract programs.

NETAPP

NetApp's product line includes AFF (all-flash), ASA (all-SAN array), and FAS (hybrid-flash) storage systems, alongside various software and cloud-based services like Keystone and Azure NetApp Files.

State of New Mexico
General Services Department
Purchasing Division
Statewide Price Agreement #: 60-00000-25-00021

NetApp does not publish a single, universal public list price for all its products due to the highly configurable nature of its solutions (e.g., support level, capacity, and duration all affect price). However, public sector price lists provide example list prices for specific hardware and configurations.

Representative List Prices (Public Sector Examples)

The following are example list prices from a public sector schedule (March 2025), and actual prices may vary based on specific configuration, support, and discounts:

Product Part Number	Description	Example List Price (USD)
AFF-A250-200-C	AFF A250, zero drive, no PSU	\$3,925.00
AFF-A250A-001	AFF A250 HA System	\$9,677.88
AFF-A400A-003	AFF A400 HA System, Eth Bundle	\$29,819.99
AFF-A50A-100-C	AFF A50 HA System	\$50,700.00
AFF-A70A-100-C	AFF A70 HA System	\$65,900.00
AFF-A800-100-C	AFF A800 HA System, 100G	\$280,978.56
AFF-A90A-100-C	AFF A90 HA System	\$113,300.00
SG100-AP-001-100GBE	StorageGRID SG100 appliance	\$49,900.00

Manufacturer List – No Line Card with MSRP

Key Product Lines and How to Obtain Pricing

- AFF A-Series: High-performance all-flash systems for enterprise applications.
- FAS Series: Hybrid-flash systems designed for a balance of performance and capacity.
- ASA Series: All-SAN-array systems, a dedicated block storage line.
- StorageGRID: Object storage appliances.
- E-Series: Storage systems for specific high-performance or capacity needs.

For an exact and detailed price for a specific configuration, you need to contact a NetApp sales representative or an authorized partner, who will provide a quote based on your specific requirements (e.g., support level, duration, and capacity).

For cloud services, such as Azure NetApp Files or Amazon FSx for NetApp ONTAP, pricing is based on a consumption model (e.g., \$/GiB/month), and pricing calculators are available on the respective cloud provider's website.

BROADCOM (VMWARE)

Broadcom has significantly simplified the VMware product portfolio into a few core subscription-based offerings, primarily VMware Cloud Foundation (VCF) and VMware vSphere Foundation (VVF), along with a few other standalone options.

Broadcom does not publish a universal, public list price for all products in a single "line card" format. Pricing is subscription-based, per physical core, with a minimum of 16 cores per CPU required for licensing. The exact cost can vary based on the contract terms (e.g., 1-year, 3-year, or 5-year terms) and specific partner negotiations.

Electronic Record and Signature Disclosure		

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

A. ELECTRONIC RECORD AND SIGNATURE DISCLOSURE (ERSD)

From time to time, New Mexico General Services Department (GSD), on behalf of the State of New Mexico (SONM), may be required by law to provide you with certain written notices or disclosures. Stated below are the terms and conditions for GSD's providing you such notices and disclosures electronically through the DocuSign system. Please read this information carefully. If you are able to access this information electronically and agree to **this Electronic Record and Signature Disclosure (ERSD)**, please confirm your agreement by selecting the check-box next to "I agree to use electronic records and signatures" before clicking "CONTINUE" within the DocuSign system.

B. Obtaining paper copies

At any time up to twenty (20) calendar days following your use of DocuSign to electronically sign a document, you may request a paper copy of any record provided or made available electronically to you by GSD. You will have the ability to download and print documents SONM sends you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a twenty (20) calendar day period after such documents are first sent to you. Following the twenty (20) day period, if you want GSD to send you paper copies of any such documents from GSD's office, you will be charged a \$1.00 per-page fee plus postage. You may request delivery of such paper copies from GSD by following the procedure stated in Section H, below.

C. Withdrawing your consent

If you decide to receive notices and disclosures from GSD electronically, you may at any time change your mind and inform GSD you want to receive required notices and disclosures only in paper format. The procedure concerning how you may inform GSD of your decision to receive future notices and disclosures in paper format as well as withdraw your consent to receive notices and disclosures electronically is stated in Section D, immediately below.

D. Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed with which GSD will be able to complete certain steps in specific transactions and deliver paper copies to you. GSD will need: (1) to send the required notices or disclosures to you in paper format; and (2) wait until GSD receives your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from SONM or to electronically sign documents generated and sent to you from SONM.

E. All notices and disclosures will be sent to you electronically

Unless you inform GSD otherwise according to these procedures, GSD will electronically provide you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements and other documents that are required to be provided or made available to you during the course of your electronic signature relationship with SONM. To reduce the possibility of inadvertent non-receipt, GSD prefers to provide all required notices and disclosures by the same method and to the same email or physical address that you furnish to GSD. Thus, you may receive the disclosures and notices electronically or in paper form. If you do not agree with this procedure, please inform GSD according to the procedures stated in Section I, below. Please also refer to Section D, immediately above, which states the consequences resulting from your declination of electronic delivery of notices and disclosures.

F. How to contact GSD:

You may inform General Services Department (GSD) of any changes you select regarding State Purchasing Division's (SPD) electronic communications with you, to request paper copies of certain information from SPD, and to withdraw your prior consent to receive notices and disclosures electronically by emailing your request(s) to SPD at: GSD.SPDinfo@state.nm.us

G. To advise SPD of your new email address

To inform SPD of a change in the email address to which SPD sends you notices and disclosures electronically, you must send an email to SPD at GSD.SPDinfo@state.nm.us and in the body of such request you must include your previous and new email addresses.

H. To request paper copies from SPD

To request delivery of paper copies of electronic notices and disclosures that DocuSign and/or SPD have previously provided to you, you must send an email to SPD at GSD.SPDinfo@state.nm.us and in the body of your email request state your email address, full name, mailing address, and telephone number. SPD will charge you a \$1.00 per page copy fee plus postage.

I. To withdraw your consent with SPD

To inform SPD that you no longer wish to receive notices and disclosures in electronic format you may:

(1) Decline to sign a document from within a signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may:

(2) Send SPD an email to GSD.SPInfo@state.nm.us and in the body of your request state your email address, full name, mailing address, and telephone number.

J. Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current DocuSign system requirements may be found at:

<https://support.docusign.com/guides/signer-guide-signing-system-requirements>

K. Acknowledging your access and consent to receive and sign documents electronically

To confirm that you are able to electronically access the information contained in this Electronic Record and Signature Disclosure (ERSD), please confirm that you have: (1) read this ERSD, and either: (2) you are able to print on paper or electronically save this ERSD for your future reference and access; or (3) you are able to email this ERSD to an email address where you will be able to print this ERSD on paper and/or save this ERSD for your future reference and access. Further, if you consent to receiving notices and disclosures from DocuSign and/or SPD exclusively in electronic format, then select the check-box next to “I agree to use electronic records and signatures,” before you click “CONTINUE” within the DocuSign system.

By selecting the check-box next to “I agree to use electronic records and signatures,” you confirm that:

- You have read this Electronic Record and Signature Disclosure (ERSD); and
- You can print this ERSD on paper, or you can save and/ or send this ERSD to a location where you can print this ERSD, for your future reference and access; and
- Until or unless you notify SPD as stated in this ERSD, you consent to exclusively receive through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by SPD during the course of your electronic signature relationship with SPD.

**ROSWELL NEW MEXICO
COMMITTEE AGENDA ITEM ABSTRACT**

Finance Committee

17.

Meeting Date: 03/05/2026

COMMITTEE: Finance

CONTACT: Tammi Smith

CHAIR: Kurt Gass

ACTION REQUESTED:

Consider recommending the adoption of Resolution 26-XX approving a budget adjustment for the fiscal year ending June 30, 2026. (Gomez)

BACKGROUND:

Initiated by: Toni Gomez

The New Mexico Department of Finance Administration (DFA) requires governing body approval for any budget adjustment that increases or decreases revenue or expenditures in the approved budget. The finance department is requesting approval of budget adjustments, as summarized in Exhibit "A", to align the City's FY2025-2026 budget with current funding allocations. These adjustments include updates to various grants, transfers, and departmental budgets.

FINANCIAL CONSIDERATION:

Financial Impact (Revenue & Expense): Budget adjustments are reflected across multiple funds and departments as detailed in Exhibit "A". The total impact of these adjustments is summarized below:

Revenue: \$4,803,723.38

Expenses: \$560,479.74

LEGAL REVIEW:

Budget adjustments are reflected across multiple funds and departments as detailed in Exhibit "A".

BOARD AND COMMITTEE ACTION:

Consider recommending the adoption of Resolution 26-XX approving a budget adjustment for the fiscal year ending June 30, 2026.

STAFF RECOMMENDATION:

Staff recommends approval of Resolution 26-XX, authorizing budget adjustments as presented in Exhibit "A".

10. MainStreet Roswell

MainStreet Roswell presented its quarterly report, including accreditation status, downtown development updates, new business openings, and private investment improvements. Funding sources and future planning initiatives were discussed.

FLOOD DISASTER UPDATES

11. Flood Disaster Updates

Staff provided an update on FEMA obligations, reimbursements received, and Revolving Loan Fund awards for flood recovery projects. Discussion focused on tracking reimbursement timelines, City match obligations, and ongoing coordination with state agencies.

BUDGET PLANNING

12. Parks and Recreation- 5-Year Master Plan. Presented by Jim Burress.

Staff presented capital needs and infrastructure priorities across Cemetery, Golf, Parks, Aquatics, Adult Center, and Zoo operations. Discussion emphasized long-term maintenance planning, flood recovery impacts, and asset preservation.

ACTION ITEMS

13. Consider recommending approval of a budget adjustment (revenue & expense) of \$150,000.00 to purchase merchandise for Pro Shop. Presented by Jim Burress.

The Nancy Lopez Golf Course has several upcoming tournaments scheduled. To ensure we are prepared, the golf course is requesting approval of a budget adjustment to place orders at least 6 months in advance.

The Committee discussed inventory replacement practices and revenue generation.

Councilor Halvorson made a motion for the recommendation for approval of a budget adjustment (revenue & expense) of \$150,000.00 to purchase merchandise for Pro Shop to be placed on the consent agenda. Councilor Cavin seconded the motion. The motion passed 5-0.

14. Consider recommending approval of a budget adjustment in the amount of \$167,640 to authorize a new contract to fund three contracted dispatcher positions for a four-month period. Presented by Alison Herring

Consolidated Dispatch is currently operating at critically low staffing levels, independent of any operational transitions. Contracted dispatchers have been essential in maintaining minimum staffing levels and ensuring continuity of service under these conditions.

In approximately one to two months, dispatch operations will begin relocating from one area to another. During this transition, two dispatch centers will need to be staffed simultaneously, significantly increasing personnel demands. While the proposed contract reduces the number of contracted dispatchers from five under the current contract to three, continued contracted support is vital to maintain safe and effective daily operations and will be essential throughout the transition period.

The Committee discussed contract pricing and procurement methods.

Councilor Johnson made a motion to recommend for the approval of a budget adjustment in the amount of \$167,640 to authorize a new contract to fund three contracted dispatcher positions for a four-month period to the consent agenda. Councilor Heldenbrand seconded the motion. The motion passed 5-0.

15. Consider recommending approval of a budget adjustment in the amount of \$5,693.10 to contract J&G Electric to perform the necessary work to support the dispatch relocation. Presented by Alison Herring

As part of the dispatch relocation, electrical and telecommunications work is required to ensure operational continuity. J & G Electric will install a 25-pair telephone line from the

new dispatch room to the server room and properly terminate the lines. This work is essential to maintain reliable communication systems during and after the move.

After a brief discussion, Councilor Cavin made a motion to recommend approving a budget adjustment of \$5,693.10 to contract with J&G Electric to perform the necessary work to support the dispatch relocation to the consent agenda. Councilor Johnson seconded the motion. The motion passed 5-0.

16. Consider recommending approval of a budget adjustment in the amount of \$26,410.00 to procure essential IT equipment, including keyboards and mice, to support dispatch center operations and the upcoming relocation. The purchase will be made through TIPS Contract No. 210101. Presented by Alison Herring

Two separate quotes have been obtained from Eaton for IT equipment needed to maintain and support dispatch center operations:

Quote One — \$23,185.00 Includes critical IT infrastructure components such as:
HighSecLabs Commercial KM Switch 8-port + USB
Eaton Tripp Lite Series PDU Basic Dual Circuit 120V 20A Outlets
Eaton Tripp Lite Series PDU Basic 2.4kW 120V Single-Phase
Eaton Tripp Lite Series 16-Port IP Rack Console Cat5 KVM Switch with 19" LCD
Eaton Tripp Lite USB Server Interface Unit and USB KVM Switch

Quote Two — \$3,225.00 Includes 25 additional keyboards and 25 additional mice. The current keyboards are failing due to keys sticking and ceasing to function over time. The center currently has only one spare keyboard. Should more than one fail, there will not be sufficient replacements to maintain operational continuity.

We are actively working with the Department of Finance and Administration (DFA) regarding potential assistance with costs related to the 911 dispatch center move. Although not guaranteed, DFA has expressed interest in possibly reimbursing a portion of these expenses.

Councilor Cavin made a motion to recommend approving a budget adjustment in the amount of \$26,410.00 to procure essential IT equipment, including keyboards and mice, to support dispatch center operations and the upcoming relocation. The purchase will be made through TIPS Contract No. 210101, to the consent agenda. Councilor Halvorson seconded the motion. The motion passed 5-0.

17. Consider recommending approval of a budget adjustment in the amount of \$115,891.56 to procure and install radio equipment, base station consoles, antennas, cabling, gateways, and related technician services to support PVRCC Consolidated Dispatch radio communications and the upcoming dispatch relocation, utilizing New Mexico Statewide Price Agreement No. 10-00000-20-00048. Presented by Alison Herring.

This request covers the procurement and installation of radio communications equipment and related services to support and enhance PVRCC Consolidated Dispatch operations. The equipment and services are necessary to maintain reliable and redundant radio communications critical to emergency response operations and the upcoming dispatch relocation.

Councilor Cavin made a motion to recommend approving a budget adjustment in the amount of \$115,891.56 to procure and install radio equipment, base station consoles, antennas, cabling, gateways, and related technician services to support PVRCC Consolidated Dispatch radio communications and the upcoming dispatch relocation, utilizing New Mexico Statewide Price Agreement No. 10-00000-20-00048 to be placed on the consent agenda. Councilor Halvorson seconded the motion. The motion passed 5-0.

18. Consider recommendation of approval of MainStreet Roswell Sponsorship Agreement for the UFO Festival and America 250 Roswell Celebration in the amount of \$280,000. Presented by TJ Conyers (Sponsored by Councilor Halvorson and Councilor Heldenbrand).

MainStreet Roswell has served as the organizing entity for the annual UFO Festival for 2 years, a signature community event that attracts visitors, generates economic impact, and promotes tourism for the City of Roswell. In Fiscal Year 2026, MainStreet Roswell is also helping coordinate activities associated with the America 250 Roswell celebration, recognizing the upcoming 250th anniversary of the United States.

Historically, the City of Roswell has supported MainStreet Roswell through sponsorship agreements to assist with event-related costs. In FY2024, the City awarded \$60,000, of which \$52,201.75 was expended. In FY2025, the City awarded \$50,000, with \$50,000 fully expended. These funds were used to support operational, marketing, and programming needs associated with the events.

The proposed sponsorship agreement in the amount of \$280,000 reflects the expanded scope, scale, and combined efforts of hosting both the UFO Festival and the America 250 Roswell celebration. The agreement is intended to support event production, infrastructure, marketing, and related costs to ensure the successful execution of both events.

A request was presented to fund a professional fireworks display as part of the America 250 celebration. Discussion included fundraising efforts, long-term planning considerations, and fiscal impact.

Councilor Heldenbrand made a motion to bifurcate item 18 into items (18a) UFO Festival for \$130,000, and (18b) America 250 Roswell Celebration for \$150,000. Councilor Halvorson seconded the motion. The motion to bifurcate passed 5-0.

18a. Consider recommendation of approval of the MainStreet Roswell Sponsorship agreement for UFO Festival in the amount of \$130,000.00.

This will require a budget adjustment of \$74,000 due to the \$56,000 being in FY26 budget.

The proposed sponsorship amount, advertising allocations, and event programming for the 2026 UFO Festival were discussed. Budget considerations and potential reductions to certain line items were reviewed. The following items were cut from the proposed UFO Festival budget.

UFO Expert Presentation - \$8,000

Charlie the Clown/Stilt walker - \$5,000

Interactive room - \$5,000

Majestic Radio was reduced by \$10,000 for a new budgeted total of \$5,000

Councilor Heldenbrand made a motion for the recommendation of approval of the MainStreet Roswell Sponsorship agreement for the Roswell UFO Festival in the amount of \$102,000.00 with a \$46,000 budget adjustment from the general fund. Councilor Halvorson seconded the motion. A roll call vote was taken.

Chairman Gass – No

Councilor Cavin – Yes

Councilor Heldenbrand – Yes

Councilor Halvorson – Yes

Councilor Johnson – Yes

The motion passed 4-1 and will be placed on the full City Council agenda.

18b. Consider the recommendation of approval of the MainStreet Roswell Sponsorship agreement for the America 250 Roswell celebration in the amount of \$150,000. This will require a budget adjustment. Presented by Councilor Halvorson

A request to fund a professional fireworks display as part of the America 250 celebration was presented. Discussion included fundraising efforts, long-term planning considerations, and fiscal impacts.

A roll call vote was taken.

Chairman Gass – No

Councilor Cavin – Yes

Councilor Heldenbrand – Yes

Councilor Halvorson – Yes

Councilor Johnson – Yes

The motion passed 4-1 on the full City Council agenda.

19. Consider recommendation of approval of the Galacticon Lodgers' Tax Sponsorship Agreement in the amount of \$6,200. Presented by TJ Conyers.

Galacticon has requested sponsorship funding to provide free public attractions located outside of the Galacticon facility during the UFO Festival. These attractions are intended to draw visitors throughout the full UFO Festival footprint, increasing foot traffic and engagement in multiple areas of the event.

The proposed attractions will be family-friendly, accessible to all ages, and open during Galacticon operating hours. All activities will be overseen by the Galacticon Director to ensure appropriate operation and alignment with festival programming.

This request represents the third consecutive year Galacticon has sought and received sponsorship support. In prior years, the City has provided Lodgers' Tax funding to support similar public-facing attractions, with expenditures coming in under awarded amounts.

Historical Lodgers' Tax Sponsorship Data:

FY2024: Awarded \$10,000 | Expended \$7,414.88

FY2025: Awarded \$8,000 | Expended \$3,700

For FY2026, Galacticon is requesting \$6,200, pending approval, to continue offering these free attractions as part of the overall UFO Festival experience.

A negotiated Lodgers' Tax sponsorship request for Galacticon to support free public-facing activities during the UFO Festival was presented. Event eligibility and promotional benefits were discussed.

Councilor Cavin made a motion for the recommendation of approval of the Galacticon Lodgers' Tax Sponsorship Agreement in the amount of \$6,200. Councilor Johnson seconded the motion. The motion passed 4-1, with Councilor Heldenbrand voting against the item. The item will be placed on the full City Council agenda.

20. Consider recommending approval of a budget adjustment in the amount of \$32,375 for collection appraisals in support of flood recovery efforts. Presented by Caroline Brooks.

This request includes appraisals for sculptures, American West items, and other historic objects that remained in Roswell during the collection evacuation following the October 2024 flood as well as 10 artworks in Chicago that were not previously appraised for a total of 1,219 art and historical objects. The appraisals allow for processing of the insurance claim by providing a value with which insurance will 1) cover the full cost of conservation for damaged items (cost of treatment is less than appraised value) or 2) pay the City the appraised value of an item (object is unable to be conserved or cost of treatment is more than appraised value and will require additional funding to conserve).

Councilor Johnson made a motion to recommend the approval of a budget adjustment in the amount of \$32,375 for collection appraisals in support of flood recovery efforts to

be placed on the consent agenda. Councilor Halvorson seconded the motion. The motion passed 5-0.

21. Consider approval of the Scope of Work for RFP: Ground Emergency Medical Services (EMS) Billing Services. Presented by Steve Chavez.

The City of Roswell Fire Department is transitioning to assume full responsibility for Emergency Medical Services (EMS), including ambulance transport operations. This transition requires establishing comprehensive administrative and revenue support services to ensure accurate billing, regulatory compliance, and effective reimbursement for EMS transports provided by the City.

The proposed Scope of Work defines the requirements for comprehensive Ground EMS billing and revenue cycle management services, including claim preparation and submission, denial and appeal management, payment posting and reconciliation, customer service, compliance and performance reporting, collections support, and implementation and transition services. Approval of the Scope of Work will allow staff to proceed with issuing a Request for Proposals (RFP) to solicit qualified vendors to support the City's EMS operations.

Discussion included percentage-based compensation structures tied to collections.

Councilor Heldenbrand made a motion for the approval of the Scope of Work for RFP: Ground Emergency Medical Services (EMS) Billing Services to be placed on the consent agenda. Councilor Johnson seconded the motion. The motion passed 5-0.

22. Requesting approval to award RFP 26-004 for Architectural & Engineering Design Services for Flood-related Projects (DR- 4843) to Huitt-Zollars, Inc. and Molzen-Corbin & Associates, P.A. Presented by Mac Rogers.

The City issued RFP 26-004 seeking proposals from qualified and licensed Architectural and Engineering (A&E) firms to provide professional design services for flood-related City projects. These services are required to support recovery efforts and help to develop plans to repair citywide flood damage and incorporate hazard mitigation measures where necessary. Five (5) proposals were received and evaluated by the City's Evaluation Committee in accordance with the evaluation criteria established in the RFP. Based on qualifications, experience, understanding of the scope of work among other factors, the Evaluation Committee determined that Huitt-Zollars, Inc. and Molzen-Corbin & Associates, P.A. submitted the proposals most advantageous to the City.

Councilor Halvorson made a motion for the approval of the award for RFP-26-004 for Architectural & Engineering Design Services for Flood-related Projects (DR-4843) to Huitt-Zollars, Inc., and Molzen-Corbin & Associates, P.A. on the consent agenda. Councilor Heldenbrand seconded the motion. The motion passed 5-0.

23. Consider recommending approval for the Roswell Police Department to purchase and outfit two patrol vehicles in the amount of \$125,305.58. Presented by Mike Taylor.

The Roswell Police Department (RPD) is requesting approval to purchase and outfit two (2) patrol vehicles to support ongoing law enforcement operations. Earlier in FY26, RPD lost a patrol vehicle as a result of a crash. The New Mexico Self-Insured Fund has issued \$42,000 to the City toward replacement of that vehicle. This will require a budget adjustment.

Additionally, on Friday, January 9, 2026, an RPD Sergeant was involved in a traffic collision while on patrol when an intoxicated driver failed to stop at a stop sign and struck the patrol vehicle. Preliminary assessment indicates damage to the vehicle frame, and the vehicle is anticipated to be totaled. Replacement of these vehicles is necessary to maintain adequate patrol coverage and operational readiness.

Approval is requested for the purchase of two patrol vehicles from Albuquerque Motor Company dba Melloy Dodge through New Mexico Statewide Price Agreement No. 40-00000-24-00068. Approval is also requested for the procurement and installation of required law enforcement equipment and vehicle upfitting services from New Mexico Emergency Products (AEP NM) through State of New Mexico Price Agreement No. 20-00000-21-00030.

Councilor Cavin made a motion recommending approval for the Roswell Police Department to purchase and outfit two patrol vehicles in the amount of \$125,305.58, to be placed on the consent agenda. Councilor Halvorson seconded the motion. The motion passed 5-0.

24. Consider recommending the adoption of Resolution 26-XX approving a budget adjustment for the fiscal year ending June 30, 2026. Presented by Toni Gomez.

The New Mexico Department of Finance Administration (DFA) requires governing body approval for any budget adjustment that increases or decreases revenue or expenditures in the approved budget. The finance department is requesting approval of budget adjustments, as summarized in Exhibit "A", to align the City's FY2025-2026 budget with current funding allocations. These adjustments include updates to various grants, transfers, and departmental budgets.

Staff presented a fiscal year budget adjustment reflecting revenue and expenditure changes, including amendments associated with earlier agenda items. Legal guidance was provided regarding amendment procedures at the Council level.

Councilor Cavin made a motion to recommend adoption of Resolution 26-XX approving a budget adjustment for the fiscal year ending June 30, 2026, to the full city council. Councilor Halvorson seconded the motion. The motion passed 5-0.

APPROVAL OF MINUTES

25. Consider approval of the January 08, 2026, Regular Finance Committee Meeting Minutes. Presented by Tammi Smith.

Councilor Johnson made a motion for the approval of the January 08, 2026, Regular Finance Committee Meeting Minutes. Councilor Cavin seconded the motion. The motion passed 5-0.

PUBLIC PARTICIPATION

Rita Kane-Doerhoefer provided a public comment regarding the reliance on volunteers for the UFO Festival, fundraising efforts, and financial oversight of event accounts.

ADJOURN

The meeting adjourned at 4:17 PM.
