Outside Agency Program Funding
Discussion/Direction/Action: Increasing the overall budget for the Outside Agency Program social services category grants (CWD grants) for FY25 from the current \$3.26M to \$3.86M, an increase of \$600,000.00. As we know, the pandemic exacerbated long-standing inequalities in American society, including here in Pima County. Those who experienced the greatest hardship in terms of housing, employment, food insecurity and more, were those who already were among the most vulnerable in our community. The needs, therefore, for additional support for our community members who are low-income, elderly, disabled, and the young, are greater than ever before. The Outside Agency Program is funded through the General Fund. All programs are administered by nonprofit partners across the county through a competitive RFP process. (District 2)
