4. Board Chair Marilena Garza requested an update on the Harte Library: Engineering Services has received the preliminary analysis study and is currently reviewing it to provide feedback and comments to the contractor.
 - Marilena Garza asked if the contractor is Dykema and when the board will get an update. Laura confirmed it is Dykema and the Board would receive another update next month. Pooja Bindingnavele asked how much had been spent on the study and Laura replied that \$15,000 has been spent. Ann Coover suggested buying out FBISD and asked about putting together a proposal to do so for City Council. Laura replied that the study should be finished first before exploring other options, but that purchasing the land had been discussed and FBISD was not interested in selling. Alice Hawkins asked what the study entailed, Laura said how to go about partitioning the building so that both students and public can be in building at the same time.
 - Pooja Bindingnavele proposed making a presentation to City Council. Marilena Garza gave options on how that could be done and encouraged board members to speak as individuals at City Council Meeting. Marilena Garza requested that the minutes show that Sony Peronel was not in attendance two meetings in a row and although she knows he is busy she feels he should make board meetings a priority. Alice Hawkins suggested sending him the recordings of the meetings. Laura stated that Sony would be made aware of what was discussed.
 - Carroll Matthews asked if CCISD owns the land at Garcia Public Library. Laura replied that they do but that the situation there is different because Kaffie School Library moved out in 2023. Pooja Bindingnavele asked if FBISD would want to sell the land at Harte. Laura replied that they do not. Ann Coover asked if there has been a demographic study to show if Flour Bluff residents are the primary users of Harte Library since she thinks it is unfair for Flour Bluff Residents to drive to Garcia Library. Laura replied that some residents from both areas use both Harte and Garcia and she would provide the distance between both locations at the next meeting.
