Case Details:

Mayor Pro Tem Bencomo needs to keep her personal federal politics OUT of City Council. For her to continue to call people liars is the nerve of her! She lies herself. Look in a mirror before you call anyone else a liar! Why didn't the Mayor stop her! He isn't effective at all when it comes to controlling the language by the Council. You all just sat there like lame ducks allowing her to tarnish this City's Council! Unbelievable! She cries the loudest when she feels someone is being treated unfairly! To bring up the presidential election in 2020 as a legitimate issue in City Council is ridiculous! Segregation! Seriously???? Who does she think she is ? Why is City Council being allowed to

be used as her platform for spewing her personal garbage and insulting anyone who does not agree with her politics. DO BETTER CITY COUNCIL!!!

My complaint is to look at her actions during a council meeting to make sure she is following the rules of what a councilor is allowed to do and say during a council meeting. Please look into this. This is not the first time I have complained about her and you all do nothing. I expect a response to this to make sure she is held accountable to everyone in her district. Not just herself. Good grief!!!
