Multiple occasions

How long do you think this problem has been going on?

More than a year

How did you become aware of this violation?

Other

If other, how?

All the above in drop down menu

Please identify any persons who have attempted to conceal this problem and the steps they took to conceal it:

Don't know

Case Details:

During my tenure at Las Cruces Utilities, the Utilities Director could not and would not answer questions in a transparent or professional manner. She would speak as if she were holding secrets and couldn't discuss simple matters.

Although my tenure is coming to a close, it was an issue the entire time I was here. This seems to be a regular thing with all management at utilities, but that tone was set by the director.
