How long do you think this problem has been going on?

Don't know

How did you become aware of this violation?

I heard it

Please identify any persons who have attempted to conceal this problem and the steps they took to conceal it:

None

Case Details:

I am listening to today's City Council meeting. Councilor Bencomo advised they were going to spend the heck out of 11 million dollars for the unhoused. My question to the City is how they intend to maintain these housing structures? What about maintenance costs, appliance and flooring replacement costs? The City budget should be reviewed to see how the City intends to collect the revenue needed to keep up maintenance on these new buildings.
