### Case Details:

While driving toward Apodaca Park on Madrid coming from the Loma Heights area, witnessed an oncoming vehicle flip an illegal U-turn from my perspective of oncoming traffic to park alongside the park with coworkers. Staff member did have a safe buffer of space from my lane of traffic, but the infraction is still the same. Driver of Unit # 34288 performed an illegal u-turn from heading northeast (toward Loma Heights) to flip around and park facing Southwest on the side of the road with other Park personnel. They did this in a relatively new Maverick unit # 34288. Gentleman driving was of a thinner build, tall, Hispanic, with facial hair. I don't want to see something like that, which could cause an accident very easily from City staff.
