Case Details:

During the week of June 1, 2026, the caller and his/her colleague (name and job title withheld) were using the city truck and drove up to the city hall. The caller's colleague had a stomachache and had to use the restroom. The caller's colleague went inside the city hall to use the restroom. As the caller was parked outside, Rubi yelled at the caller asking who authorized him/her to be there. The caller did not answer Rubi. Blake Davenport, risk manager, then called the caller asking what happened. The caller explained to Blake that he/she was waiting for his/her colleague. Rubi is still in probation and is not in a managerial position. Rubi unethically and unprofessionally addressed the caller, and he/she doesn't report to her.

The caller requests this matter is looked into, and corrective action is taken.
