Case Details:

At today's City Council meeting, Finance and Treasury reported they do not have a collection agency working to collect money from overdue bills. Utilities is collecting but the Treasury is not collecting. I'm not sure I understand this, but that is what they reported. My question is why is Finance and the Treasurer not collecting overdue bills? Also, I don't understand City Councilor Bencomo wanted to get rid of or delete overdue bills at the Library!!! The City has reported budget problems and we have a City Councilor who wants to allow people to take books and items from the Library and then not expect them to return them or pay for them. That is ridiculous! No wonder the City is having financial problems! That makes no sense what so ever! You guys need to investigate the money you approved to be erased from the books!
