Case Details:

A co-worker is about to retire and was told by Jenna Hanway in HR to call in sick for the remaining time available so they can get the pay otherwise that paid sick time would be lost. I work for the city and I know this type of sick leave abuse goes on a lot. Supervisors need to stop the abuse of sick leave. The sick leave policy says sick leave is for illness or FMLA, not to get paid time off because you're leaving. Shame on this person if they actually do it, but shame on Jenna Hanway for encouraging someone to commit fraud just so they can get paid time off. I can't say who this person is because they will know its me, but look at people about to leave the city. You'll know who they are and then go talk to Jenna Hanway about why she's promoting fraudulent use of sick leave.
